SUITMATE® Water Cart

Extractor Corporation, manufacturer of the original SUITMATE® Swimsuit Water Extractor introduces the SUITMATE Water Cart.

The SUITMATE Water Cart provides the perfect solution for facilities wanting to offer all the benefits of the SUITMATE Swimsuit Water Extractor to their guests, without the requirement of a hard plumbed installation.

The water container is made of the same durable stainless steel as the SUITMATE unit. This medical grade, 304-series stainless steel is designed to withstand high-moisture environments.

Features

- Manufactured in the USA
- Easy to install
- Built-in handles for ease of use
- 15-liter (4-gallon) capacity bucket included
- Heavy duty casters for easy portability
- Blends seamlessly with the SUITMATE unit
